

# Do You Believe In Magic

## John Sebastian

**Intro [Dm] [Em] [F] [Em] [Dm] [Em] [F] [G]**

**[G]**Do you believe in **[C]**magic in a **[F]**young girl's heart  
How the **[C]** music can free her, **[F]**whenever it starts  
And it's **[C]** magic, if the **[F]** music is groovy  
It **[C]** makes you feel happy like an **[F]** old-time movie  
I'll **[Dm]** tell you about the **[Em]** magic, and it'll **[F]** free your **[Em]**soul  
But it's like **[G]** trying to tell a stranger 'bout rock and roll

If you believe in **[C]** magic don't **[F]**bother to choose  
If it's **[C]** jug band music or **[F]**rhythm and blues  
Just go and **[C]** listen it'll **[F]** start with a smile  
It won't **[C]**wipe off your face no matter **[F]**how hard you try  
Your **[Dm]**feet start **[Em]** tapping and you **[F]**can't seem to **[Em]**find  
How you **[G]**got there, so just blow your mind

**Instrumental: [Dm] [Em] [F] [Em] [Dm] [Em] [F] [G]**

If you believe in **[C]** magic, come **[F]** along with me  
We'll **[C]** dance until morning 'til there's **[F]**just you and me  
And **[C]** maybe, if the **[F]** music is right  
I'll **[C]** meet you tomorrow, sort of **[F]**late at night  
And **[Dm]** we'll go **[Em]** dancing, baby, **[F]** then you'll **[Em]**see  
How the **[G]**magic's in the music and the music's in me

**[F]**Yeah, do you believe in**[C]** magic  
**[F]**Yeah, believe in the **[Em]** magic of a **[F]** young girl's **[Em]** soul  
**[F]** Believe in the **[Em]** magic of **[F]** rock and **[Em]**roll  
**[Dm]**Believe in the **[Em]** magic that can **[F]** set you **[Em]** free

**[G]** Ohh, talking 'bout **[F]**magic  
Do you **[F]** believe like I believe **[C]** in magic  
Do you **[F]** believe like I believe  
Do you **[C]** believe like I believe  
Do you **[F]** believe like I believe  
Do you **[C]** believe like I believe
