

I'm Thinking Tonight of My Blue Eyes

[G] Would've been better for us both had [C] we never
In this [D7] wide wicked world had never [G] met
For the pleasure we've both known [C] together
I'm [D7] sure, love, I'll never [G] forget

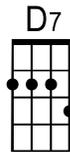

Chorus:

[G] Oh, I'm thinking tonight of my [C] blue eyes
Who is [D7] sailing far over the [G] sea
Oh, I'm thinking tonight of my [C] blue eyes
And I [D7] wonder if she ever thinks of [G] me

[G] Oh, you told me once, dear, that you [C] loved me
And you [D7] said that we never would [G] part
But a link in the chain has been [C] broken
Leavin me [D7] with a sad and aching [G] heart

Chorus

[G] When the cold, cold grave shall [C] enclose me
Will you [D7] come there and shed just one [G] tear
And say to the strangers [C] around you
A poor [D7] heart you've broken lies [G] here

Chorus
