

No Hole in My Head

Malvina Reynolds

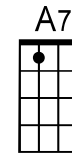

[D] Everybody thinks my head's full of nothin'
[D] Wants to put his special stuff in
[G] Fill the space with candy wrappers
[D] Keep out sex and revolution
[A7] But there's no hole in my head
[D] Too bad

[D] Call me a dupe of this and the other
[D] Call me a puppet on a string
[G] They don't know my head's full of me
[D] And that I got my own special thing
[A7] And there's no hole in my head
[D] Too bad

[D] I have lived since early childhood
[D] Figurin' out what's goin' on
[G] I know what hurts, I know what's easy
[D] When to stand and when to run
[A7] But there's no hole in my head
[D] Too bad

[D] Please stop shouting in my ear
[D] There's something I want to listen to
[G] There's some kind of birdsong up somewhere
[D] There's feet walking the way I mean to go
[A7] And there's no hole in my head
[D] Too bad

[D] Everybody thinks my head's full of nothin'
[D] Wants to put his special stuff in
[G] Fill the space with candy wrappers
[D] Keep out sex and revolution
[A7] But there's no hole in my head
[D] Too bad
