

# Weeping Willow (Bury Me Under the Weeping Willow)

Carter Family

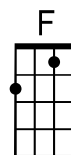

[C] [G] [C]

[C] My heart is sad and [F] I am lonely  
[C] For the only one I ever [G] loved  
When [C] shall I meet him [F] oh no never  
[C] Til we [G] meet in heaven a [C] bove

## Chorus

Oh [C] bury me be [F] neath the willow  
[C] Under the weeping willow [G] tree  
So [C] he may know where [F] I am sleeping and  
[C] And per [G] haps he'll weep for [C] me

## Chorus

[C] Tomorrow was to [F] be our wedding  
[C] Where oh where can he [G] be  
He's [C] gone away and [F] found another  
[C] And no [G] longer cares for [C] me

## Chorus

[C] He told me that he [F] dearly loved me  
[C] Surely I believed it [G] true  
Un [C] til the angels [F] softly whispered  
[C] He will [G] prove untrue to [C] you

## Chorus
